About LIPI

Incorporated in 1986, Lipi is one of the top three Indian IT peripheral companies. For decades, Lipi has been providing the best of technologies and services through indigenously designed products.

Lipi is recognised as the most reliable organisation when it comes to the manufacturing of mission-critical products.

The market leader in the Line Matrix & High Speed Dot Matrix Printer categories for decades, Lipi is now shifting its focus to advanced solutions like Self Service Terminals and Digital Signage Solutions.

Lipi's state-of-the-art design & manufacturing facilities and its robust service network spread over 200 locations across India makes for an unbeatable combination.
