PORTÉGÉ X30L-K

Incredibly Powerful, Astonishingly Lightweight

The hyperlight Portégé X30L-K from Dynabook proves premium performance and build quality doesn't have to weigh you down. Weighing as little as 904 grams¹, this stylish 13-inch Windows laptop features 12th Gen hybrid-architecture Intel® Core™ processors, up to 32GB of LPDDR5 memory, and a choice of Full HD Anti Glare or multi-touch display. Engineered for strength and durability, this laptop can endure extreme conditions, and easily holds up to daily use by today's on-the-go professional. Beyond capable, the Portégé X30L-K packs dual pointing devices, a comfortable full-size keyboard, a variety of common ports and the Wi-Fi 6 for unplugged productivity.

Product Highlights

Performance for Maximum Productivity

With full-performance 12th Gen Intel® Core™ processor options, the Portégé X30L-K benefits from the massive performance boost and enhanced efficiency afforded by Intel's all-new hybrid architecture. Configurable with 12 core CPUs, up to 32GB of LPDDR5 memory and reinforced with an up to 1TB ultra-fast PCIe Gen4 SSD storage, Wi-Fi 6 and Thunderbolt™ 4, the Portégé X30L-K delivers uncompromising performance all day long.

Premium Takes a New Form

Featuring a small footprint chassis engineered with premium materials and a 180-degree hinge design, the Portégé X30L-K is the perfect mix of style, form, function, and durability. Housing a vivid, energy-saving 13.3-inch IGZO display or optional multi-touch display, and a premium backlit keyboard, the Portégé X30L-K is premium from all angles.

Security Taken Seriously

The Portégé X30L-K is among the most secure Windows PCs in the world. Featuring a secure mix of hardware, firmware, software, and identity protection technologies, it is suitable for mission critical users in even the most data-sensitive industries. Additionally, Dynabook writes its own BIOS, providing an incredibly secure foundation. Further bolstering security, this laptop features face and fingerprint biometric recognition options and an integrated webcam privacy shutter.

Stay in touch and on track

The Portégé X30L-K features new AI tools to increase productivity and collaboration within the workplace – irrespective of the user's location. Cortana-enabled dual mics offer a new AI noise reduction function, along with an HD with FA (face authentication) camera with its own AI enhanced functionality. Along with quality stereo speakers with Dolby Atmos and DTS audio processing, the devices enable seamless video or audio conferencing.

NEW AI Enhancement

AI-Enhanced Camera Features

Dynabook Online Meeting Assist utilizes AI as a software enhancement for virtual collaborative sessions to ensure faces are bright and visible in a wide spectrum of lighting conditions, blur backgrounds and automatically keep the users face centered in frame. Feature can be easily switched on with a quick hotkey with any video conference software.

NEW AI Enhancement

AI Noise Reduction

The 360-degree dual-array microphones picks up voices from omni-direction with equal gain, giving the user the ability to roam freely around a room or to serve as the hub for multi-person conference calls. The AI Noise Reduction isolates and filters out background noises at near and far ends of calls to ensure participants can be heard clearly and effortlessly, improving overall call quality.

Precisely engineered for mobility

The Portégé X30L-K was designed to provide years of worry-free operation in even the most gruelling work environments. Engineered and tested to MIL-STD-810H standards for endurance and durability, its reinforced chassis design using Magnesium Alloy offers tough, stylish and helps defend against accidental damage.

Connect at a New Level

Beyond its ultrafast Thunderbolt™ 4 ports, the Portégé X30L-K features a mix of full-size ports, including HDMI®, USB-A (with Sleep & Charge) and Gigabit LAN for seamless, adapter-free wired connectivity. To maximize the benefits of Thunderbolt 4, Dynabook offers docking solutions that seamlessly connect multiple external displays, as well as a variety of other USB and USB-C accessories with a single cable connection.

Battery Life Everlasting

The Portégé X30L-K features a large 53Wh battery that provides enough power to last well beyond the typical workday². When not in use, Sleep & Charge technology keeps a USB port powered, allowing the laptop to charge a smartphone and other accessories.

² Battery Life Rating. Dynabook battery life ratings are measured with Mobile Mark™ 2018.
